## OUR PROMISE TO YOU

### SIMPLE

There are no complicated parts to worry about. Our system eliminates assembly errors, mis-ordering and high inventory costs. Each display consists of minimal components. Panels, panel fastening trims and accessory options come completely from one source, Walls+Forms. Panels snap together in minutes and full merchandising can be accomplished in a few hours.

### AFFORDABLE

Part standardization permits low prices with low minimum quantity. High construction costs, mess and lengthy time delays are eliminated.

### UPGRADEABLE

Each display system has been designed with the future in mind, need to upgrade your store? no problem, with Walls+Forms you will save thousands of dollars, start the right way by utilizing our systems from the beginning and never spend money on starting from scratch, with a very low budget you can create a whole new look in a matter of hours!

## CORNERFORMS | GRID WALL CREATIONS

CornerForms™ is the patented two part fastening system that can be used to construct gridwall display creations, perimeter defining walls, fitting rooms, floor fixtures, modular counters, trade show booths and hundred of other construction applications. CornerForms™ with its associated edge cap component that reinforces the panel is extremely simple to assemble on site (see diagram to the left). CornerForms™ permits lasting assembly, no sliding is necessary. Shallow ceiling heights do not obstruct most assemblies. By design CornerForms™ permits field cutting. The Edge Cap Channel, Kerf Cap, or Grid Adapter in PVC or aluminum, can be removed for panel alteration and reapplied for installation. For extra strength and panel support, please specify aluminum #4975 Edge Cap. Gridwall or SlatGrid application specify Grid Adapter #2687. (see instructions)

### 3/4" CornerForms™

 30 DEGREE 3177	 45 DEGREE 3433	 60 DEGREE 2859	 90 DEGREE 2516	 120 DEGREE 3187	 135 DEGREE 2600	 DOUBLE FINISHED END 3563	 *ANGLE FINISH END 3181	 ALUMINUM EDGE CAP 4925
 4-WAY 2844	 Y CONNECTOR 3169	 Y-90 CONNECTOR 3259	 2926 *180°	 *T CONNECTOR S 2986	 *SHARPE 90 2005 *Dimensionally similar to 2700 *T Connectors	 T CONNECTOR 2700	 180 DEGREE 2598	 FINISHED ENDCAP 2810

• CornerForms™ assembles 3/4", 1/2", and 1/4" panels • Standard Length: 96" • Standard Colors: Matte Black, Designer White, Dove Gray, Natural Almond. • Custom colors and lengths are available. Minimums may apply and these minimums may vary. 50% deposit required for all customs orders. • Standard CornerForms™ units are shipped with the appropriate number of edgescaps.; For Example: a 90 degree CornerForms™ comes with two edgescaps, a Y-Connector comes with three edgescaps. The standard edgescaps will be either the #2525 edgescap for 3/4" panels or the #3858 for those panels that may be slightly larger than 3/4" due to surface cladding of HPL, fabric etc.

### Gridwall Adapter

Grid adapter channel is made of durable PVC. Made to snap over vertical double wire edge. Use on standard 1/4" wire diameter grid, allowing grid panel to be integrated in a CornerForms™ system

GRID ADAPTOR PVC  
2687

CornerForms™ are available in new contemporary colors, white, grey, almond, black and serengueti, all 1/4", 1/2" and 3/4" profiles are stocked in matching colors for a clean modern look. Low minimums, quick availability and satisfaction guaranteed.

Custom Colors! To match or compliment your next design, we will "color match" our profiles to your paint, laminate or PMS specifications.

(Minimums apply for custom color matching)

## Gridwall Rectangular Perimeter Display

## Gridwall Adapter

Grid adapter channel is made of durable PVC. Made to snap over vertical double wire edge. Use on standard 1/4" wire diameter grid, allowing grid panel to be integrated in a CornerForms™ system
